FACT SHEET

ON CHILD RIGHTS SITUATION
MUNICIPALITIES OF LEZHË REGION

This booklet refers to the data collected annually from Observatory for Children's Rights among local and central governmental institutions in Albania, recognized along the publication.

The data collection initiative and the publication of the booklet takes places in the framework of the programme "Observatory for Children's Rights supports evidence-based child-sensitive policy planning, with focus on decentralized action", realized in partnership with UNICEF in Albania during 2015-2016.

The content of this publication is the responsibility of Observatory and does not necessarily reflect the views of UNICEF
